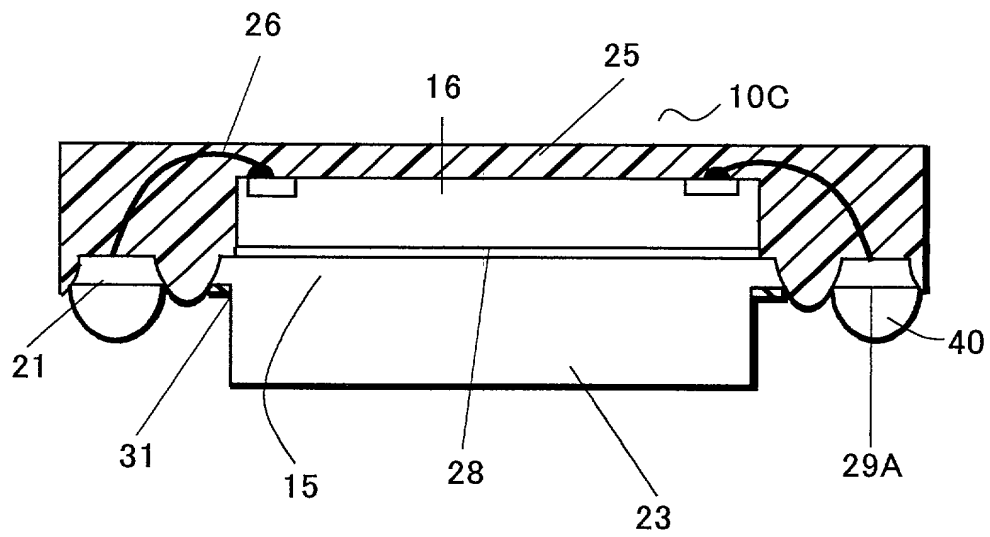

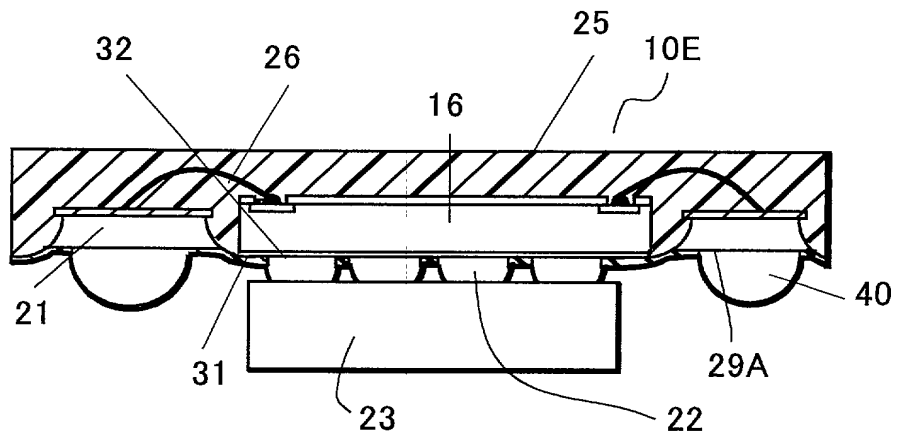

FIG.4B

This cross-sectional view shows a substrate 10F with a central layer 16. Below the substrate, there are two large rectangular blocks 23 and 24. On the left and right sides, there are curved structures 21 and 29A. Above the central layer 16, there are several layers and structures: 26, 32, 31, 25, and 40. The labels 21, 23, 24, 25, 26, 29A, 31, 32, and 40 are connected to their respective parts by leader lines.
